

HHH 25 S

Single Blade Hedgetrimmer

25cc mini 4-stroke engine

This ultra-quiet, smooth and efficient 4-stroke starts first time with no mixing of fuel and oil needed.

Cruise control

Switch to maintain the engine speed without holding the trigger, for ease of use over long periods of time.

Vibration reducing handle

Elastomer hand grip for increased comfort during use.

720mm Single blade

Allows for fast yet precise trimming along tall or long hedges for a perfect finish.

Easy to handle

Lightweight and well balanced at just 5.81kg for comfortable long term use.

Easy start

The mini 4-stroke engine has a low recoil force for easy starting, smooth operation and reliability.

Unique 360° lubrication system

Allows the hedgetrimmer to be used and stored through a full 360° incline, without risk of damage.

Price
(incl. VAT)

The world's first 4-stroke hedgetrimmer, the HHH 25S is ideal for tending large gardens and parks, ideally suited to shaping or heavy trimming. Vibration reducing controls, an easy starting engine and lightweight ergonomic design allowing you to work more comfortably. And for longer. This machine boasts the same power and performance as comparable 2-stroke machines, but is significantly more economical with fuel, cleaner with no mixing of fuel/oil, quieter and more environmentally friendly (complying with the stringent EN2006 emissions standard).

Domestic Use

Professional Use
