UK TERMS AND CONDITIONS

Part 1 - General Terms of Contract applicable to Hondacare Assistance

1. Hondacare Assistance, which provides Roadside Assistance, Roadside Assistance from Home, Recovery and Recovery Plus, is available to the Authorised Driver of a Relevant Vehicle during its Assistance Period, 7 days a week, 365 days a year, when it is immobilised as a result of a Breakdown in the UK.
2. Hondacare Assistance is designed to provide emergency breakdown and recovery facilities; its availability does not, of course, remove the need to keep the Relevant Vehicle properly maintained and serviced.
3. In the event of a breakdown and the Authorised Driver needs help, the Authorised Driver should always contact Hondacare Assistance direct. Honda dealers and garages approached independently will expect payment and subsequently the Authorised Driver will have to settle the bill and the Authorised Driver will not be entitled to seek reimbursement under Hondacare Assistance.
4. Hondacare Assistance is only available to motor vehicles up to a maximum weight limit of 3500Kg (3.5 tonnes) gross vehicle weight ("gvw"). Caravans or trailers being towed at the time of the breakdown will be recovered along with the Relevant Vehicle (if appropriate) towing them providing the gvw of the caravan or trailer does not exceed 3.5 tonnes. A caravan or trailer of a width less than 7.6ft (2.3m) will be recovered provided that this can be done safely under tow. A caravan or trailer is not entitled to receive assistance for any fault or defect.
5. If eligibility for Hondacare Assistance cannot be validated at the time of a request for service, the Authorised Driver may be asked to complete and sign a "Promise to Pay" form in relation to the repayment of the cost of any service provided if eligibility cannot subsequently be validated.
6. Services may be refused if the Authorised Driver is not present at the time of the breakdown and is unable to be present at the time assistance arrives.
7. Service under Hondacare Assistance is only available to Relevant Vehicles. Service may be refused in certain circumstances for example, should the vehicle be ineligible for Hondacare Assistance. Attendance will also be declined in non-emergency situations where the vehicle is still mobile and the journey can be continued both legally and in safety.
8. Hondacare Assistance will not provide assistance where:
 - (a) the Relevant Vehicle was, immediately before the Breakdown dangerous, overladen or unroadworthy;
 - (b) the giving of service would breach the law; or

(c) there has been an unreasonable delay in reporting the Breakdown.

9. Hondacare Assistance - what is not included:

- Vehicle servicing or vehicle re-assembly where required as a result of neglect or unsuccessful work on the vehicle other than on the part of Honda or its chosen sub-contractors or agents who provide services under Hondacare Assistance;

- Any additional charges resulting from failure to carry a legal and serviceable spare wheel(s) or tyre(s) in the Relevant Vehicle (if not supplied as standard from the Manufacturer). We will endeavour to arrange assistance from a third Party on behalf of the Authorised Driver but will not pay for the cost of the call out or any repair. All other costs are the responsibility of the driver;
- Any costs or charges connected with the drainage or removal of fuel, lubricants or other fluids due to the introduction of an inappropriate fluid;
- Having the Relevant Vehicle stored or guarded in the absence of the Authorised Driver;

10. Assistance will be provided for no more people than the legal seating capacity of the Relevant Vehicle up to a maximum of seven people (including the driver) provided that such people who were travelling in the Relevant Vehicle at the time of the Breakdown.

11. Service may be refused where it is requested to deal with the same or a similar fault or cause of breakdown to that attended to in regard to the same vehicle within the preceding 28 days. It is the Authorised Driver's responsibility to make sure that emergency repairs carried out are, where appropriate, followed as soon as

possible by a permanent repair. If there is cause to believe that Hondacare Assistance is being over used in relation to a fault or cause of breakdown for which service has been provided on previous occasions, future assistance may not be provided until such time as a permanent repair is carried out. Nothing in this provision shall affect any rights the Authorised Driver may have in relation to any negligence or breach of any other legal duty on the part of Honda, its sub-contractors, agents or any other person providing service under Hondacare Assistance.

12. Service may be refused for, any person otherwise entitled to assistance for the relevant vehicle where it is reasonably considered that they or anyone accompanying any such person:

If sub-contractors or our agents, at their discretion, agree to transport an animal, then any such transport will be at the Authorised Driver's own risk. It is the Authorised Driver's responsibility to secure any animal being transported or to make alternative arrangements for its transportation.

14. If a locksmith, body-glass or tyre specialist is, in our opinion, needed, Hondacare Assistance will endeavour to arrange their help on behalf of the Authorised Driver, however, we will not pay for their services and the contract for repair will be between the Authorised Driver and the repairer. Further, if use of a locksmith or other specialist would, in our opinion, mobilise the vehicle, no further service will be available for the breakdown in question.

15. If specialist equipment (not normally carried by our patrols) is in our view, required to provide assistance - for example (but not restricted to) when a Relevant Vehicle has left the highway, is in a ditch, is standing on soft ground, sand or shingle or is stuck in water or snow, or which has been immobilised by the removal of its wheels, Hondacare Assistance will arrange recovery but at the Authorised Driver's cost. Once the Relevant Vehicle has been recovered to a suitable location, normal service will be provided in keeping with Hondacare Assistance.

16. Service will not be provided where this is requested in regard to the Relevant Vehicle which requires service by reason of, or immediately following, participation in any racing, rallying, trials or time-trials, auto test or other motor sports event (“Motor Sports Event”). However, for the avoidance of doubt, we do not consider the following activities to be Motor Sports Events, and thus will provide service to a participating Relevant Vehicle if properly requested:
 - a) “concoirs d’elegance” events
 - b) Track test days for road-legal vehicles;
 - c) Rallies held exclusively on open public highways where participants are required to comply with all operative speed limits.
17. Service from the patrols of our chosen service providers is subject to availability and may be supplemented by their appointed garages or agents.
18. Our sub-contractor’s patrols are trained and equipped to carry out emergency roadside repairs and are not in a position, and should not be expected, to comment on the general safety or roadworthiness of a vehicle after a breakdown, or emergency repair. In addition, completion of an emergency repair cannot be taken to signify, or in any way guarantee, the general roadworthiness of the vehicle concerned.
19. Where service has been refused as a result of the Relevant Vehicle being deemed dangerous, over laden or unroadworthy, Hondacare Assistance will endeavour to arrange assistance on behalf of the Authorised Driver but will not pay for this service.
20. The Authorised Driver will be required to pay for any consumables provided as part of the service provided under Hondacare Assistance.
21. It is the Authorised Driver’s responsibility to ensure that any temporary repairs carried out under Hondacare Assistance to mobilise the vehicle are followed as soon as is possible by a permanent repair. Please refer to the terms of the vehicle warranty with respect to the carrying out of repairs by Honda dealers.
22. While Hondacare Assistance seeks to provide assistance at all times, resources are finite and this may not always be possible. We shall not be liable for service failures due to circumstances outside our reasonable control. Events which might constitute circumstances outside our reasonable control include (but are not limited to) Acts of God, outbreak of hostilities, riot, civil disturbance, acts of terrorism, acts of government or authority (including the refusal or revocation of any licence or consent), fire,

subsidence, explosion, flood, snow, fog or other bad weather conditions, vehicle, equipment or systems failures, shortages of fuel or other necessary supplies, failure of telecommunications lines or systems, default of suppliers or sub-contractors, theft, malicious damage, strike, lock out or industrial action of any kind.

23. Honda shall not, nor shall Honda's sub-contractors or service providers (or their sub-contractors) who provide service under Hondacare Assistance in any event, and to the extent permitted by law, have any responsibility for any increased costs or expenses, for any loss of profit, business, contracts, revenue or anticipated savings or for any special, indirect or consequential losses incurred as a result of or in connection with any service, whether resulting from tort (including negligence or breach of statutory duty), breach of agreement or otherwise. For the avoidance of doubt, nothing in this clause or these Terms and Conditions shall exclude or restrict our liability for negligence resulting in death or personal injury.
24. Failure to enforce or non-reliance upon any of these terms and conditions on a particular occasion or occasions will not prevent us from subsequently relying on or enforcing them.
25. These terms and conditions of service may be varied on our giving of reasonable notice where we reasonably consider it necessary to do so in order for the services supplied to comply with any changes in the law or regulations applicable thereto.
26. The headings used in these terms and conditions are for convenience only and shall not affect the interpretation of its contents
27. None of the terms and conditions, or benefits, of, or under, this agreement with us are enforceable by any third parties except that paragraph 16 may be enforced by our sub-contractor or service providers. For the avoidance of doubt, and without limitation to the generality of the foregoing, any rights under The Contract (Rights of Third Parties) Act 1999, or any replacement thereof, are hereby excluded. Nothing in these terms and conditions shall create a contractual relationship between the Authorised Driver and Honda's chosen service provider or its agents or sub-contractors.
28. The laws of England and Wales will apply to these terms and conditions and they are subject to the non-exclusive jurisdiction of the English courts.
29. Nothing in these Terms and Conditions shall affect the statutory rights of the Authorised Driver as a consumer.
