Figures shown are for comparability purposes. Only compare fuel consumption and CO<sub>2</sub> figures with other cars tested to the same technical procedures. These figures may not reflect real life driving results, which will depend upon a number of factors including the accessories fitted (post-registration), variations in weather, driving styles and vehicle load. \*The fuel consumption and CO<sub>2</sub> figures shown are based on the WLTP test cycle and are used to calculate vehicle tax on first registration. You can find out more about the changes brought in by WLTP at <https://www.wltpfacts.eu/>. The CO<sub>2</sub> emissions test figures and fuel economy figures shown in the table do not express or imply any guarantee of the emissions or fuel consumption of the vehicle in question. All tests are conducted on vehicles with standard wheels and tyres. Optional or Accessory wheels and tyres may have an effect on the emissions and fuel consumption of a vehicle. On the road prices include delivery charge, number plate allowance, 12 months Vehicle Excise Duty and Vehicle First Registration Fee (currently £55).
