The Power of Dreams

# MODERN CLASSIC

The new Honda SH300i takes all the timeless qualities of classic SH models and re-masters them for today's modern world. Whether you want sophisticated style, the confidence to tackle cobbled city streets or the comfort and performance to cut through congestion, the SH300i is made to deliver everything you need and more.

## SH300i

### A MODERN CLASSIC

In such a fast paced world, the new Honda SH300i stands up to the challenge with an upgraded 279cc liquid cooled, 4 valve, single cylinder engine, providing increased torque and acceleration for swift off-the-line performance. Plus, with intelligent low friction technology and Euro 4 compliance, it delivers lower emissions and helps cut the cost of your commute.

But performance alone isn't enough. We've refined every aspect of the SH300i to make it lighter and more agile than ever before. The compact bodywork with flat-floored step-through design sits on large 16" front and rear wheels providing maximum performance and stability for both the city and the open road.

Add to this ABS as standard and you've got a powerful, reliable scooter that's ready for anything the modern world throws its way.

# DETAILS

## LED HEADLIGHT & TAIL LIGHT

The distinctive LED headlight and tail light adds to the SH300i's modern design, giving you style in the city, real presence out on the open road and improved visibility at night.

## INCREASED UNDER SEAT STORAGE

With the versatility to take on everything from uneven side streets to wide open roads, storage is essential to make sure you get the most out of your ride. The new SH300i features enough under seat storage for a full face helmet and a waterproof or lock, giving you less to carry when you reach your destination.

## SMART KEY

The new SH300i features an innovative SMART Key system that improves convenience and security. When standing within 2m of your bike, the compact fob connects with a mode dial on the inner front cowl, allowing you to trigger the ignition and seat release at the touch of a button.

# GENUINE ACCESSORIES

## MAKE IT YOUR OWN

All Honda motorcycles are ready to go, but you can personalise and equip yourself for the challenges ahead with some well chosen Honda Genuine Accessories.

Genuine Accessories are designed, tested and built to the same rigorous standards that Honda applies to their motorcycles, guaranteeing superb fit, finish and functionality.

For information on the full range of Honda Genuine Accessories and for advice on compatibility contact your Honda Dealership or visit [honda.co.uk](http://honda.co.uk)

# FINANCE

## SIMPLE. FLEXIBLE. CONVENIENT.

There's nothing like that exciting feeling of riding your brand new Honda for the first time. The satisfaction of crisp functionality and the peace of mind of a box fresh Honda.

Honda Finance provides simple, flexible and convenient finance to allow you to ride the Honda of your dreams and to suit your budget:

- > As part of Honda Motor Company, we offer finance specifically for Honda products
- > No fussy forms, intrusive questions or reams of small print to wade through
- > Authorised and regulated by the Financial Conduct Authority
- > Potentially a more cost effective way to finance your Honda than traditional methods

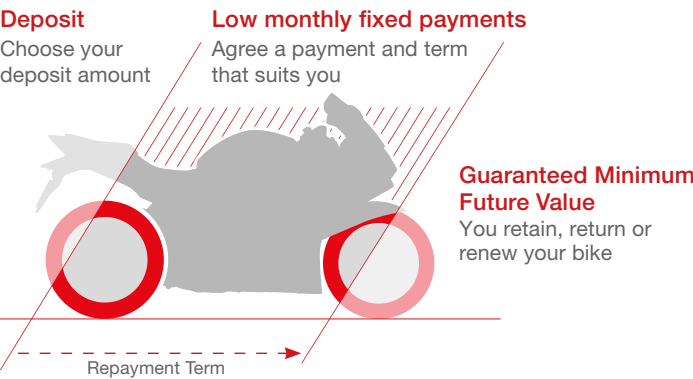

Honda Finance

We offer a choice of finance to suit you and your budget

### Personal Loan (VPL)

### Honda Aspirations (PCP - Personal Contract Purchase)

# SAY HELLO

## WE'LL SHOW YOU EVEN MORE

You deserve complete confidence that you've made the right choice, long after you've made the purchase. That's why we appoint our Honda Authorised Dealers with as much care as we build into our products.

### EXPERTISE. SALES. SERVICE.

Our Authorised Dealers are true experts in their field, often with years of first-hand experience under their belt. They not only feature a comprehensive display of Honda products to see and touch, but through extensive Honda training, provide valuable advice you can trust.

As well as offering the highest levels of after-sales service, our Authorised Dealers' factory trained technicians perform a full Pre-Delivery Inspection (PDI) on every machine, and are fully equipped to keep your product in peak condition with cost-effective servicing.

### HONDA WARRANTY

For your peace of mind the Honda warranty will cover you for unlimited mileage to be free from material or manufacturing defects for two years and is standard on all new Honda motorcycles or scooters.

# HONDA SCHOOL OF MOTORCYCLING

## SKILL UP WITH HONDA

Already on a bike and want to upgrade your licence to ride a bigger bike? Or need a refresher course to get back into biking? There's a course for you at one of Honda's training schools.

Improve your skills and take the **Upgrade Licence Course**. All initial test fees are included\*.

If you've taken a break from the bike and it's time to get back on, take our **Refresher Course** and start riding again.

\*Terms and Conditions apply, please visit [honda.co.uk](http://honda.co.uk), ask your Dealer or call 0845 200 8000 for full details.

The specific details of this brochure do not apply to any particular product supplied or offered for sale. Manufacturers reserve the right to vary specifications, including colours, with or without notice at such times in such manner as deemed appropriate. Major as well as minor changes may be involved. Every effort, however, is made to ensure the accuracy of the particulars contained in this brochure. Consult your Dealer for details regarding the specifications of any featured product. This publication shall not constitute - under any circumstances whatsoever - an offer by the Company to any individual. All sales are made by the Distributor or Dealer subject to and with the benefit of the standard Conditions of Sale and Warranty provided by the Distributor or Dealer, copies of which may be obtained upon request. While efforts are made to ensure specification accuracy, brochures are prepared and printed several months in advance of distribution and consequently cannot always immediately reflect either changes in specification or in some isolated cases the provision of a particular feature. Customers are always advised to discuss specific details with the supplying Dealer, especially if a selection is dependent upon one of the features advertised. Photography shown is of a professional rider in a controlled environment. Please note that the fuel consumption figures provided are results obtained by Honda under standardised testing conditions prescribed by WMTC. Tests are conducted on a rolling road using a standard version of the vehicle with only one rider and no additional optional equipment. Actual fuel consumption may vary depending on how you ride, how you maintain your vehicle, weather, road conditions, tyre pressure, installation of accessories, cargo, rider and passenger weight, and other factors. You accept that if you do go ahead and make a purchase or enter into any kind of transaction, whether for payment or not, you did so entirely in reliance on your own skill and judgement and not on that of anyone else.

**RIDE WITH STYLE** Read the owner's manual thoroughly. Get to know your machine and its capabilities. Concentration assists anticipation. Observe other road users' movements. Brake in plenty of time. Always wear a helmet and quality kit, ride fit and NEVER after drinking alcohol. Good roadcraft and courtesy identify the skilled and stylish rider. Honda endorse the law that all helmet visors must comply with BS 4110. Visors that transmit less than 50% of visible light cannot legally be used on the road.
